A Department of Lakes Region General Hospital
2nd Annual Practical Orthopaedics for Primary Care

Please join us for the 2nd Annual Practical Orthopaedics for Primary Care Conference, focusing on evaluation and treatment options for orthopaedic problems commonly seen by the primary care provider. Emphasis will be placed on clinical diagnostic pearls, treatment approaches and criteria for urgency of referral to an orthopaedist.

This course is intended for internists, primary care and family physicians, nurse practitioners, physician assistants, physical and occupational therapists and allied health professionals. Our program goal is to promote communication and knowledge partnerships to provide the best in patient outcomes.

FACULTY

Conference faculty is comprised of seven, board-certified orthopaedic surgeons from Advanced Orthopaedic Specialists. With offices in Gilford, Franklin, Glen, New Hampton and Meredith, Advanced Orthopaedic Specialists offer traditional and groundbreaking orthopaedic care.

Jeffrey A. Clingman, MD Specializing in hand, shoulder and elbow injuries, arthritis and trauma/fracture care. He completed his fellowship in hand and micro surgery at Duke University in Durham, NC, and has been in practice for over 20 years.

Christopher P. FitzMorris, DO Specializing in general orthopaedics, arthroscopic and joint surgery. He is also Assistant Chief Medical Officer at LRGHealthcare.

John M. Grobman MD Specializing in sports medicine. He completed fellowships in sports medicine and arthroscopic surgery with Dr. James Andrews at Hughston Clinic in Columbus, Georgia.

Alexander C. Hennig, MD Specializing in sports medicine, arthroscopy and fracture care. He completed a sports medicine fellowship at New England Baptist Hospital and Boston Children's Hospital.

Jeremy P. Hogan, MD Specializing in joint replacement and revision surgery. He completed a fellowship in adult orthopaedic reconstruction and arthritis surgery at Florida Orthopaedic Institute in Tampa, Florida.

Jonathan H. Lee, MD Before his move to NH, Dr. Lee practiced and was an Assistant Professor of Clinical Orthopaedic Surgery at Columbia University Medical Center, New York, NY. He specializes in non-surgical orthopaedics, including arthritis, joint pain, fracture care, back pain, and musculoskeletal wellness.

Glenn S. Lieberman, MD Specializing in spine surgery, minimally invasive spine surgery, trauma and fracture care. He completed an orthopaedic trauma and reconstructive surgery fellowship at Grant Medical Center, and is a fellow with NorthEast Institute for Minimally Invasive Spine Surgery.
